PART 1 DETAIL OF DISCUSSION REQUEST/MARKET CHANGE REQUEST:								
Requesting Organisation(s)		NIE			Originating Jurisdiction		NI	
Contact name		Ann Ferguson						
Date Request Raised		05/09/2011			Originating Request			
Detail of Request								
Reason for Request								
The DR is to provide clarification on the timeframe for CoS readings to be accepted on the 210 market message. Reads on a 210 message must not be more than twelve business days prior to the date of receipt of the registration request by NIE for residential customers or two business days prior to the date of receipt of the registration request by NIE for commercial customers, or greater than 15 days after the date of receipt of the registration request.								
Proposed Solution								
The following updates will be made to the market message guides:								
210 Market Message - validation section								
Read Date validation will now state:								
If the Read Reason denotes a Change of Supplier, then the Read Date must not be more than twelve business days prior to the date of receipt of the registration request by NIE for residential customers or two business days prior to the date of receipt of the registration request by NIE for commercial customers, or greater than 15 days after the date of receipt of the registration request.								
010 Market Message - validation section								
Required Date validation will include the following text:								
If the Change of Supplier Read Arrangement is specified as 'CR' (Customer Read) and a reading is not provided, the Required Date must be: Not earlier than 12 days before the date of receipt by NIE of the registration request for a residential credit Meter Point; Not earlier than 2 days before the date of receipt by NIE of the registration request for a commercial Meter Point; Not greater than 15 days later than the date of receipt by NIE of the registration request.
