**PART 1 DETAIL OF DISCUSSION REQUEST/MARKET CHANGE REQUEST:**

<b>Requesting Organisation(s)</b>	Energia	<b>Originating Jurisdiction</b>	NI
<b>Contact name</b>	Paul McCormick		
<b>Date Request Raised</b>	09/10/2013	<b>Originating Request</b>	DR 1139

**Detail of Request**

**Reason for Request**

When SIC Codes are updated there has to be a formal request made to NIE to update them within the schema. As NIE do not need to use these SIC Codes, Energia would like to propose that suppliers now look after these themselves. Energia are seeking that this DR/MCR is implemented in both jurisdictions.

**Proposed Solution**

Energia propose the removal of the SIC Codes (Currently denoted "Economic Activity Indicator" in the CoBL) from the Schema. If this DR and subsequent MCR is approved then previously approved MCR 1066 will be required to be withdrawn.
