Name of Requesting Organisation	<i>ESB MOIP</i>
Contact name	<i>Anthony Byrne</i>
Date Request sent to ESB MOIP	<i>29 March2004</i>

Detail of Discussion Request	
<p>MPD 23 – Supplier Data Requests currently allows for the requesting and sending of 6 refresh messages. These messages are also catered for in the Market Messages database V 4.1 and the XML schema.</p> <p>Following a review of the design ESB MOIP is now proposing to address the requirement to be able to re-send market message related data to suppliers in the following manner:</p> <p>Rather than having a suite of refresh messages covering a selected subset of market messages it is proposed to provide a more general facility that will enable market participants to request the resending of any given market message</p> <p>The requested "resend" message will be sent to the Supplier in exactly the same form as the original message (the same transaction number and business reference number).</p>	
Reason for Discussion Request	
Refresh Messages have been deferred.
