

## MIG Design Discussion Request

Discussion Request Number	Title	Priority
DR 0030	Updates to metered MPDs to include single site unmetered	Med

Name of Requesting Organisation	ESB MOIP
Contact name	Nathaniel Williams/Mark Speers
Date Request sent to ESB MOIP	N/A

Detail of Discussion Request	
<p>There are a number of business processes which apply equally to NQH metered and single site unmetered sites. Where this is the case it is proposed to modify the scope of the existing baselined MPD to indicate that single site unmetered can be included. There may also be some slight modifications to the text to clarify the unmetered processes.</p> <p>It is not proposed to modify any of the market messages sent or to make any changes to the design as a result of this exercise.</p>	
Reason for Discussion Request	
To incorporate processes to cater for the unmetered market.	
Market Design Documents impacted by Request	
To be identified at a later date	
Date of MIG where discussed	
Change Request xref (if applicable)
