## Form A – MIG Design Discussion Request

Discussion Request Number	Title	Priority
DR 0068	Add Customer Name to Extranet	High

Name of Requesting Organisation	ESB MOIP
Contact name	E O'Sullivan
Date Request sent to ESB MOIP	

Detail of Discussion Request
<p>To facilitate the registration process and prevent erroneous CoLEs being processed the Customer name should be provided on the Extranet site for all MPRNs (Existing and New Connections) where the DUoS Group is DG5 or above.</p> <p>Where the customer is an organisation then name org 1 and name org 2 (if both exist) will appear on separate lines. Otherwise First Name Last Name will appear on one line.</p> <p>The screenshots below indicate the location of the new data field. However, please note that this is intended to convey proposed functionality and may change during the design, build and test phase.</p>
