Date Request sent to ESB MOIP	

Detail of Discussion Request	
<p>Suppliers wishing to notify ESB Networks of a potential problem at an unmetered site should use the market messages and processes as defined to support metered sites i.e. MPD 12.</p> <p>Section 3.1 of this MPD should be updated as follows:</p> <p>Unmetered reports of problems or damage will be identified at the Technical MPRN level for group unmetered sites and for single point unmetered. The Technical MPRN will be used as the identifier to track and process unmetered reports, as the MPRN would be used for a NQH or QH connection. The same process and market message can be applied to single point and group unmetered process.</p>	
Reason for Discussion Request
