Name of Requesting Organisation	ESB MRSO
Contact name	John Casey
Date Request sent to ESB MOIP	21/12/2005

Detail of Discussion Request	
<p>It is proposed to create a list of all eligible customers in all DG classes with the exception of domestic customers (DG1 and DG2). The following data will be made available using the extranet facility: MPRN, Customer Name, Meter Point Address, MP Status, Registration Status, Connection Agreement, DUOS Group, MIC, Connection Voltage, Customer Service Special Needs, Metering Class, Eligibility for QH Metering, Meter Location, MCC, Last Actual Read Date, Read Cycle Day, Next Read Day. Customer Name will only be provided in the case of Commercial and Business Customers.</p> <p>Using the Extranet Facility users will be able to download the contents in CSV format. CSV files can be opened directly into MS Excel or opened via any standard text editor.</p>	
Reason for Discussion Request	
<p>The provision of this information to licensed suppliers will be a useful way of stimulating further levels of competition across all customer categories. Furthermore it may help to reduce errors in the customer registration and change of supplier process.</p>
