Detail of Discussion Request	
<i>Where the rejection reason in a 102R is COS – a COS was completed less than 20 days before the required date of the COS we request that the effective date of that COS be advised on the 102R.</i>	
Reason for Discussion Request	
<i>Market Rules state that a registration will be rejected where a COS was completed less than 20 days before the required date of the COS. As the effective date of the COS is not advised on the 102R the registering supplier does not know when to resubmit the registration on behalf of the customer. This results in a needless number of messages (010s &amp; 102Rs) being sent by the market.</i>
