PART 1 DETAIL OF DISCUSSION REQUEST/MARKET CHANGE REQUEST:							
Requesting Organisation(s)	Airricity			Originating Jurisdiction		NI	
Contact name	Siobhan Melvin						
Date Request Raised	06/07/2012		Originating Request				
Detail of Request							
Reason for Request							
The MM 116N is currently sent to the New Supplier every time the Old Supplier submits a MM016 for COLE while a CoS is in progress. The New Supplier only needs to take action if the customer names are different as they will have to investigate and most likely cancel the CoS. If the names are the same then there is no action required by the New Supplier and the CoS can proceed.							
Proposed Solution							
Only send the 116N COLE notification message to the New Supplier when the customer name on the 010 is different to the customer name on the Old Supplier's 016 message.
