PART 1 DETAIL OF DISCUSSION REQUEST/MARKET CHANGE REQUEST:							
Requesting Organisation(s)	Energia		Originating Jurisdiction NI				
Contact name	Paul McCormick						
Date Request Raised	09/10/2013	Originating Request	-				
Detail of Request							
Reason for Request							
When SIC Codes are updated there has to be a formal request made to NIE to update them within the schema. As NIE do not need to use these SIC Codes, Energia would like to propose that suppliers now look after these themselves. Energia are seeking that this DR/MCR is implemented in both jurisdictions.							
Proposed Solution							
Energia propose the removal of the SIC Codes (Currently denoted "Economic Activity Indicator" in the CoBL) from the Schema. If this DR and subsequent MCR is approved then previously approved MCR 1066 will be required to be withdrawn.
