Defect			
Date raised	24/01/05	Contact name	Tim Cragg - ESB MOIP
Date issued to MIG	31/01/05		

Part 1: Detail of Defect & Proposal
<p>A number of fields on market message 301 and 301N had previously been flagged as 'Provided where a change occurs only'. A number of these fields will be provided in all cases (i.e. where no change to a particular field has occurred then the standing value will be provided on the message). This is to ensure that a full picture of the MP characteristics is provided and to ensure that the supplier has a full understanding of the impact of any changes being proposed on the 301N or confirmed on the 301.</p> <p>See link to change-tracked extract of market message guide for detail of changes.</p>

Impact of Defect on Market Processes
