Part 1: Detail of Defect & Proposal

Message 017 (Meter Point status change request) contains the field Meter Point Status. V 4.3 of the Market Message Implementation Guide – Meter Works states that this field is to be used to indicate the required status rather than the current status.

At present the webform for this market message refers to this field as 'Meter Point status', a request has been received to update this to 'Required Meter Point status' to ensure clarity for users of the Webforms.
