Defect ID	Title	Priority
DRR007	Minor Corrections to definitions and codes	

Defect			
Date raised	26/07/04	Contact name	Sharon Tobin – ESB MOIP
Date issued to MIG	28/07/04		

### Part 1: Detail of Defect & Proposal

A number of minor corrections to the data definitions and date codes are required

- Definitions for Read date and previous read date need to be amended to cater for estimates as well as reads.
- The description for the county code for Wexford (ZO) currently says 'Loch Farman'. The correct spelling of this description is 'Loch Garman'.
- The following Meter Category numbers have been found to be duplicated in the data codes: RM 402, RM 640, RM 720

### Impact of Defect on Market Processes

The defect may lead to a misunderstanding of the market processes. Therefore as there is negligible time to correct them it is proposed to do so.
