Part 1: Detail of Defect & Proposal

A series of diagrams clarifying the validation performed by MRSO / DSO on market messages received from Suppliers were presented at the MIG 17/06/2004 and Market Clarification workshop 11/08/2004.

Additional diagrams will be developed for the 507 / 507C messages and added to the relevant message guide.

It has been requested to include these diagrams in the market message implementation guides.
