**PART 1 DETAIL OF DISCUSSION REQUEST/MARKET CHANGE REQUEST:**

<b>Requesting Organisation(s)</b>	NIE	<b>Originating Jurisdiction</b>	NI
<b>Contact name</b>	Joan-Edel Smith		
<b>Date Request Raised</b>	15/09/2010	<b>Originating Request</b>	DR 1013

**Detail of Request**

**Reason for Request**

NIE currently provides a monthly report to SONI to facilitate their TUoS billing of Northern Ireland Suppliers. This report aggregates the units at tariff level for all Suppliers in relation to demand sites in Northern Ireland. NIE also provides Suppliers with a monthly extract report along with the DUoS invoices. This extract report shows units at an MPRN and register level. The unit information used by NIE for DUoS billing and sent to SONI for TUoS billing is the same.

Further harmonisation

**Proposed Solution**

With effect from the go-live date of the enduring solution, NIE will provide via a secure server, the relevant section of the aggregate report to each Supplier, i.e. the section relating to their registered MPRNs. However, NIE retains the right to discontinue the support for this report if SONI change the source data upon which they produce TUoS bills. If a Supplier requires consumption data at MPRN or register level, this can be obtained from the extract reports which are provided by NIE with the monthly DUoS invoices.
