Requesting Organisation(s)	NIE			Originating Jurisdiction	NI		
Contact name	Joan-Edel Smith						
Date Request Raised	21/03/2011			Originating Request	DR 1052		
Detail of Request							
Reason for Request							
Currently during a Change of Supplier process for a keypad customer the Old Keypad Premises Number is provided in market messages 110 and 105L. However, the MPRN is already provided on these market messages which the Old Supplier can utilise to ascertain the Old Keypad Premises Number. The removal of the Old Keypad Premises Number further harmonises these market messages.							
Proposed Solution							
This Discussion Request proposes that the Old Keypad Premise Number is removed from the 105L and 110 Market Messages and from the Schema as this field is only used on the 110 and 105L Market Messages.
