1. Introduction

1.1 Purpose

The purposes of this questionnaire are to assess the extent to which market participants:

- are aware of MCR1137;
- understand the details of the change being made;;
- understand whether and how the change will affect them.
- are prepared for the change.

1.2 Scope

Using the principles outlined in the “Assurance Approach” document, this questionnaire supports the Self-Assessment stage for the change project assurance.

This questionnaire is applicable to ESB Networks, Small Suppliers and Large Suppliers. It is not applicable to Self Suppliers, Demand Side Units, Generators or Eirgrid (TSO).

1.3 Completing the Questionnaire

The questionnaire has been designed to be quick and easy to complete. Most of the questions are multiple choice, for which a selection box has been provided. Just click the box where indicated and then click your choice.

If, whilst completing the questionnaire, you feel you have a lack of understanding of the issues please contact RMDS as soon as possible at info@rmdservice.com Tel: +353 (0)1 669 2410
