PART 1 DETAIL OF DISCUSSION REQUEST/MARKET CHANGE REQUEST:

Requesting Organisation(s)	Energia	Originating Jurisdiction	NI
Contact name	Mandy Reid		
Date Request Raised	29/03/2011	Originating Request	DR 1066

Detail of Request

Reason for Request
 Following a review it has been found that the provisional harmonised schema is still using the old SIC classifications previously released back in 2003. It is therefore requested that an exercise to be undertaken by NIE to update the harmonised schema so that it falls in line with 2007 classifications. If this exercise is carried out now, it will prevent a future schema change post harmonisation go-live.

Proposed Solution

A new list of Standard Industrial Classifications of economic activities for 2007 was published in the NI market by the Office of National Statistics, effective from 1st Jan 2008. In market messaging this appears as the Economic Activity Indicator field. Thomas Heasley (Energia) has already sent Paul Hawthorne a spreadsheet that compares the 2003 and 2007 SIC codes so he can use that to make the necessary schema updates.
