

700  
Message  
Specific  
Information

### Valid Codes:

The following are valid values for Meter Point Status on this message

A - Assigned

E - Energised

D - De-energised

T - Terminated.

Meter Configuration Code:

The following is the only valid code for MCC on this message:

MCC09 Un-metered.

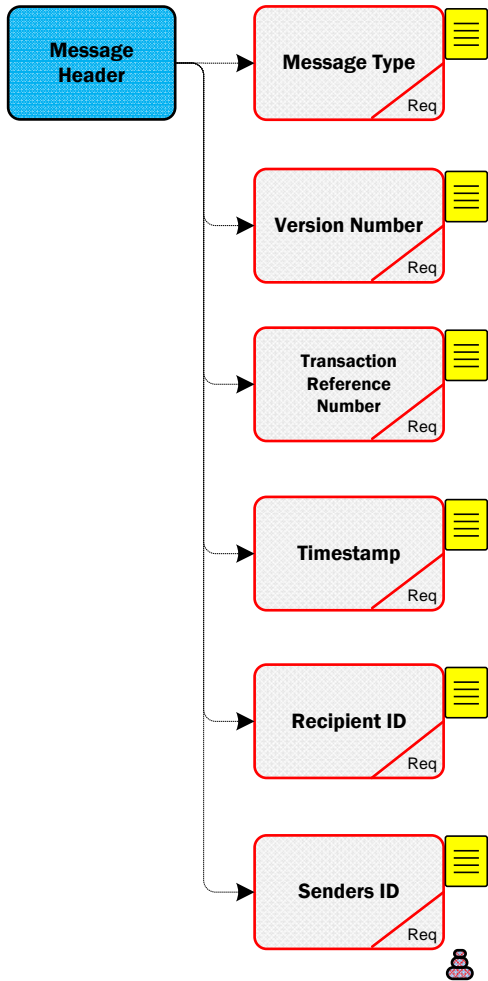

Transaction Reason Code:

The following are valid values for Transaction Reason Code on this message

SCH - Scheduled periodic billing

FIN - Final billing

REP - Replacement message following the withdrawal of a previous 701 message
