### 3. MCR Approval

A Keegan sought approval for the MCRs/DR.

Some MPs requested that a new Change Management Process for Smart MCRs going forward be put together. Two MPs did not approve these MCRs in the absence of an agreed change management process. Others were willing to approve but did request that a robust Change Management Process be developed, agreed and implemented.

A Keegan stated that the CRU has considered the input from MPs and as the chair of the Meeting, approved the MCRs and DR at this Meeting.

**MCR1157 v3.0 Data Processing and Aggregation - Approved**  
**MCR1158 v3.0 Customer Data - Approved**  
**MCR1159 v3.0 Change of Supplier - Approved**  
**MCR1160 v3.0 Meter Works - Approved**  
**DR1161 v1.0 New Connection - Approved**  
**MCR1161 v2.0 New Connection - Approved**

He thanked MPs for their commitment and engagement with the Smart Metering MCRs at the ILG to date.

These approved MCRs will be brought to the next ReMCoSG on 10/04/2019 for sign off by the Regulatory Authorities.

### 4. Next Steps

At the conclusion of the Meeting, as MPs requested that a Change Management Process for Smart MCRs be put together, ESBN and MPs agreed to engage and attempt to agree through the ILG on a Change Management Process before Friday 29/03/2019.

This action will then report back to ReMCoWG/IGG Meetings.
