

# 111 Registration Cancellation

## 111 Valid Codes

### Please Note:

#### Market Participant Business Reference Cancellation Reason

CR - denotes that the customer requested not to proceed with the contract to supply.

TO - Cancelled due to time-out this will be a reference to the Market Participant Business Reference provided in the Message Header of the 010 message sent by the registering Supplier to MRSO.

OS - denotes that the Supplier is cancelling in response to an objection.

This code should be used for Change of Supplier only.

SE - denotes that the Supplier registered the Meter Point in error but cancellation is not as a result of an objection

ME – denotes that the Supplier is cancelling in response to a request from a customer due to change of mind during the Cooling off Period

DE - denotes that the Suppliers is cancelling in response to an objection for Debt  
Otherwise this will be a reference to the Market Participant Business Reference provided in the Message Header of the 011 message sent by the cancelling Supplier to MRSO.

### Supplier ID

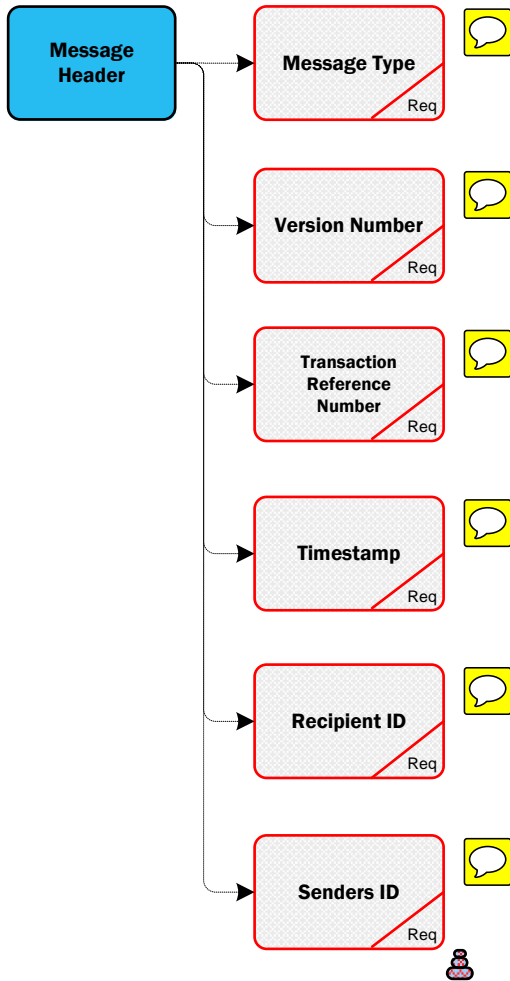

This is the identity of either:

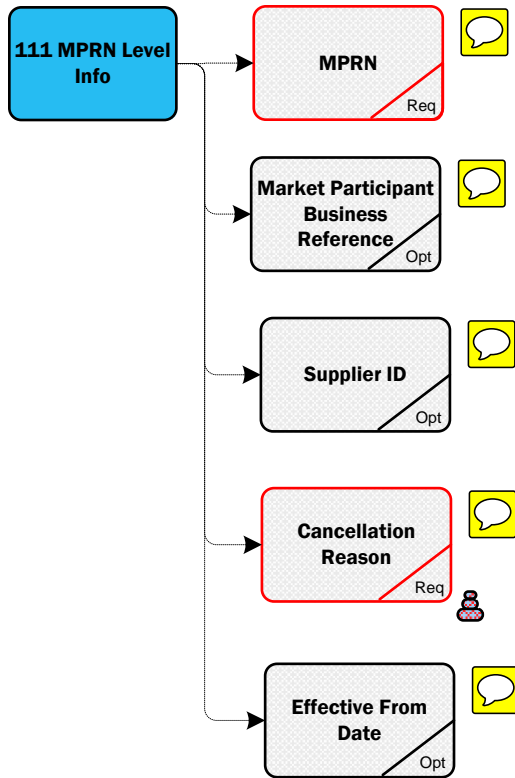

- the re-instated Supplier following the cancellation of a completed Change of Supplier; or
- the currently registered Supplier following the cancellation of an incomplete Change of Supplier.

It is not provided for a cancelled new connections registration.

**Optional/Mandatory;** Although the following Data Items are optional, note the following caveats:-

Supplier ID: Identity of reinstated supplier.
